Dear Colleague,

The Crewkerne & District Chamber of Commerce invites you to promote your business in the new **Business Directory** for our area.

With a circulation of **over 4,000** delivered to local residents, local businesses and organisations, and picked-up by visitors from key town venues, this professional publication by Footprintz and the Chamber of Commerce, will showcase the goods & services available in our district to a very wide audience.

Uniquely, the new and completely revised directory will also link with the Crewkerne & villages website so entries can have an updated online advert reaching around a further 700 people per week.

To secure your place in this leading local publication, please send an e-mail, ring us on 01460 77778 or drop a hard copy of the attached form to us at Roundham House, Crewkerne. We can accept your logo either by e-mail or if you have an existing advert or business card, we can use that.

Prices range from £20 for a text-only box advert, £40 for a larger box advert, £80 for half-page box, £150 for a black & white whole page, or £200 for a colour whole page.

Should you wish to join the Crewkerne & District Chamber of Commerce at the same time and make your business a part of the district's major enterprise network, you can do so for £10 (half the usual annual rate).

All good wishes,

Marcus Barrett
