

Crewkerne and District Chamber of Commerce

The Crewkerne Chamber has been an active voice for the business community for many years, adapting to the changing needs of business.

The purpose of the Chamber is to promote business in the area. We offer business people the opportunity to network with each other, to get support and, by joint action, to improve the business environment.

What We Do

The Chamber meets regularly to address issues affecting businesses in the town and the surrounding area, to offer mutual support and to network with others of like mind.

The Chamber represents the interests of its members to ensure the business voice is heard on local issues such as planning and transport, to tackle challenges in the town - and to get things done.

Recent successful campaigns include:

- *Getting Broadband to Crewkerne*
- *Minimising road work in town*
- *Promoting the town as a place to shop and do business*
- *Working with developers on new schemes*

Join Us

Chamber membership is open to all those in business in the area and offers the chance to become involved in a friendly and effective organisation which helps you and well as represents your interests to key decision makers. And, if you ever have a business problem, the Chamber is ready to fight your corner or advise on other sources of help.
