An Open Letter

To All those in Business in Crewkerne and Villages:

Dear Colleague,

As new Chairman of The Crewkerne Chamber of Commerce I'm keen to hear your views on business in the area and how we can work with you to promote your own business and enterprise at large.

I'm working my way round to speak with as many colleagues in local business as possible and will be delighted to come and see your business in due course, so please keep in touch. You can also follow what we do on our web page: www.CrewkerneTown.co.uk/commerce where you can contact both me and the Secretary directly.

The Chamber will be leading initiatives. It's an exciting time – in the past three weeks, since taking over, I've received enquiries from four very different businesses all wanting especially to come to Crewkerne. The retail redevelopment of Cookes is on its way, there's the chance of more employment land close to the town centre, Waitrose is getting ever closer, the market will temporarily return to the Square and many other initiatives promise an economically lively and rewarding time ahead for this district.

With your help we'll promote the benefits to doing business here and pre-empt any challenges. Please consider how joining could be of direct benefit to you – meeting local contacts, getting referrals for local work or sales, catching-up with local business news, hearing relevant speakers or, perhaps most importantly of all, in you enjoying talking to others of like mind about your own business and achievements.

Membership is open to anyone with an interest in business: we welcome both familiar and new faces and will be pleased to help you network and build connections. A membership form can be downloaded from our web page or obtained by calling the office on 01460 77778.

All best wishes,

Yours,

Marcus Barrett
